Old Business:

- Decals/Glassware –Larry has made significant progress. It is now down to finalizing colors and we'll be in business. So far we seem to have consensus on pitchers, pint glasses, beakers and the tall tasting glass Mark Crain has. Anyone with a strong desire for additional glassware should please speak up soon. Chris Miller provided information on beakers and will forward info on glassware from his previous dealings.
- Ken Sommers was unable to attend this month, Mark will connect with him regarding the spring competition.
- Rick Sommers also unable to attend –hope you're on the mend from your accident. Look forward to rescheduling his compilation of events.
- Big Brew Day is May 5<sup>th</sup>. Santa Cruz Mountain Brewing has graciously offered their parking lot for the event. Emily Thomas will confirm with the landlord that it's OK. So far we have 4 systems available so start promoting the event to friends and family that would like to experience brewing. Mark Crain, Dick Gabler, Chris Miller and Dave Bossie have all volunteered to bring equipment. Mia to call Craig Radach and inquire about use of his flatbed truck for transporting systems.

- Dick Gabler was unable to attend, will bring info about Jeremiah O'Brian Brew Trip to February meeting.
- The carpool to SF for scotch tasting is cancelled. Not enough people can attend. Larry –have a great time! There is still some real interest in a scotch tasting outside of the regular club events.
- The first fair meeting is Feb 15. Mia will have a report at the next meeting.
